

PSYC 350 Lab: Weekly Lab Schedule

Fall 2026 | University of Nebraska-Lincoln

Last updated: August 20, 2026

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
Lab 1 Aug 25 - Aug 28	A Introduction to Psyc350 & why we do it this way!! Introduction to Psyc 350 Lab B Bibliographic Research & Zotero UNL Library Research Tools (start here) Powerpoint to guide you through library resources Boolean Searching (link to how-to guide online) APA Format and Style + Using Zotero C Weekly Lab Assignment Lab 01: APA References Zotero Worksheet Click for Zotero & APA Workbook Handouts APA Journal Article Reference Guide (PDF) APA Journal Article Reference Guide (HTML) Journal Article Reference Formatting (Word, editable) APA In-text Citations and Reference Examples (PDF) APA In-text Citations and Reference Examples (HTML) Student Paper Format Research Report Format APA Table Templates (PDF) APA Table Templates (HTML) APA Table Templates (Word, editable) Other Sources Reference Format	WEEKLY Finish and submit your Lab 01 to your lab section's Canvas link before week 2	None
Lab 2 Sep 01 - Sep 04	A Getting started with Variables Identifying & understanding variables B Weekly Lab Assignment Lab 02: Operationalization & Measurement Worksheet	WEEKLY Submit to your lab section before week 3: Lab 2: Operationalization & Measurement Worksheet	WEEKLY Lab 01: APA References Zotero Worksheet

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
Lab 3 Sep 08 - Sep 11	A Critically Reading Research Reports Reading and Writing Research Reports Reading and Writing Research Reports (pdf version) B Contents of an APA Report: What Info is Where? Research Designs & Participant Assignment (Word, editable) C Weekly Lab Assignment Research Critique #1 Research Critique #2 Handouts Reading and Writing Research Reports slides (PowerPoint, editable) Reading and Writing Research Reports (PDF) Reading and Writing Research Reports (HTML) Elements of a Critical Reading (PDF) Elements of a Critical Reading (HTML) Validity Net - Visual (PDF) Validity Net - Visual (HTML) Validity Net - Linear (PDF) Validity Net - Linear (HTML) Types of Research Validity - Answer Sheet (PDF) Types of Research Validity - Answer Sheet (HTML) Research Designs and Participant Assignment (PDF) Research Designs and Participant Assignment (HTML)	WEEKLY Submit to your lab section before week 4: Research Critique #1 and Research Critique #2	WEEKLY Lab 02: Operationalization & Measurement Worksheet
Lab 4 Sep 15 - Sep 18	A Scientific writing & synthesizing research How to Improve your Writing How to Improve your Writing (PowerPoint, editable) B Writing Literature Reviews & Research Proposals APA Student Paper Guide APA Avoiding Plagiarism Guide APA Student Paper Checklist APA Table Templates (Word, editable)	WEEKLY Submit to your lab section before week 5: Literature review & proposal worksheet (AFTER SUBMITTING CHECK THAT YOU CHOSE THE CORRECT FILE!)	WEEKLY Lab 03: Research Critique #1 and Research Critique #2

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
	C Weekly Lab Assignment Literature Review Description Article 1 for literature review & proposal Article 2 for literature review & proposal Literature review & proposal worksheet Literature review & proposal HINTS sheet Handouts APA Table Templates (PDF) APA Table Templates (HTML)		
Lab 5 Sep 22 - Sep 25	A Introduction to Research Project Data Sets and Project Planning Project Materials Research Project Suggestions - Self-Descriptive Survey Materials (select one) Self-Descriptive Content & Methods Self-Descriptive Dataset (.sav) - Interpersonal Survey Materials Interpersonal Content & Methods Interpersonal Dataset (.sav) B Final Project Pre-proposal (select one) Self-Descriptive Pre-proposal Interpersonal Pre-proposal C Finding references for your project Research Project References & Literature Review Worksheet	PROJECT Submit to your lab section before week 6: Research Project Pre-proposal (only the one corresponding to your dataset) and Research Project References & Literature Review Worksheet	WEEKLY Lab 04: Literature Review worksheet
Lab 6 Sep 29 - Oct 02	A Data Entry & Univariate Stats SPSS Handouts About 'stats packages' for Psyc350 - You are not required to purchase SPSS (or any statistical package) but you must ensure that you have 'working access' to the statistical package(s) you choose to use so that you consistently complete assignments in a timely fashion. B Weekly Lab Assignment Data Entry & Univariate Stats worksheet Univariate stats hw checker Handouts Data Entry Compute & recode	WEEKLY Submit to your lab section before week 7: Data entry & Univariate Stats worksheet	WEEKLY Lab 05: Research Project References & Literature Review Worksheet PROJECT Research Project Pre-proposal (only the one corresponding to your dataset)

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
	Selecting Cases & Splitting Files Frequencies & Univariate Statistics		
Lab 7 Oct 06 - Oct 09	A Bivariate Data Analysis SPSS Handouts B Weekly Lab Assignment superman_data.sav hotones_data.sav Correlations & Chi-square worksheet Correlations & Chi-square hw checker Handouts Pearson's Correlation Scatterplots 2x2 Pearson's Chi-square	WEEKLY Submit to your lab section before week 7: Correlations & Chi-square Worksheet	WEEKLY Lab 06: Data entry & Univariate Stats worksheet
No lab this week - Fall Break — Oct 13 - Oct 16			
Lab 8 Oct 20 - Oct 23	A Between Groups and Within-Groups One-Way ANOVA SPSS Handouts Choosing Analyses for Project Practice Choosing Statistical Analyses Worksheet B Weekly Lab Assignment superman_smes_data.sav hotones_data.sav ANOVA Worksheet ANOVA hw checker Handouts 2BG ANOVA 2BG Bar Graph WG ANOVA WG t-test WG Bar Graph WG t-test (paired) Effect Size and Sample Size How-To (PDF) Effect Size and Sample Size How-To (HTML) Which Test to Use? (PDF) Which Test to Use? (HTML) Which Test to Use? (Word, editable)	WEEKLY Submit to your lab section before week 9: ANOVA worksheet	WEEKLY Lab 07: Correlations & Chi-square worksheet

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
Lab 9 Oct 27 - Oct 30	B Preparation to Complete Research Project Report Research Project Analysis Proposal Research Project Analysis Proposal Worksheet Research Project Analysis must be signed off by your lab instructor C Work on Research Project Report (Resources) Research Project Suggestions & FAQ (READ THIS) Example Project Report APA Student Paper Guide APA Avoiding Plagiarism Guide APA Student Paper Checklist Example Project Poster How to Make a Poster Slides APA Table Templates (Word, editable) Handouts APA Table Templates (PDF) APA Table Templates (HTML)	PROJECT Complete FULL DRAFT of Research Project Report (Intro Method Results Discussion)	WEEKLY Lab 08: ANOVA worksheet
Lab 10 Nov 03 - Nov 06	Peer review Intro Method Results Discussion	PROJECT Complete Research Project Report	PROJECT Complete DRAFT Research Project Report
Lab 11 Nov 10 - Nov 13	A Multiple-Group Data Coding & Analyses SPSS Handouts APA Table Templates (Word, editable) B Weekly Lab Assignment jury_data.sav (RH1 & RH2) football_data.sav (RH3) tips_data.sav (RH4) Multi-Group Coding & Analyses worksheet Multi-Group Analyses hmw checker Handouts kBG ANOVA k-Group Within-Groups ANOVA 2 × k Chi-square Computator (Excel) APA Table Templates (PDF) APA Table Templates (HTML)	WEEKLY Multi-Group Coding & Analysis Worksheet WEEKLY Complete Research Project Report by the end of lab during the week of Nov 21	None

Lab & Dates	Topics, Activities & Handouts	Assignments Given	Assignments Due
Lab 12 Nov 17 - Nov 20	A Factorial Design & Analysis SPSS Handouts B Weekly Lab Assignment parent_child_data.sav Factorial Analyses Worksheet Factorial Analyses hw checker Handouts 2x2 BG ANOVA on SPSS 2x2 MG ANOVA on SPSS Computator (Excel) Factorial 'effect map'	WEEKLY Factorial Worksheet	WEEKLY Lab 11: Multi-Group Coding & Analysis Worksheet
Lab 13 Nov 24 - Nov 27	A Multiple Linear Regression SPSS Handouts B Weekly Lab Assignment huskers_data.sav Multiple Linear Regression Worksheet Multiple Regression hw checker Handouts Multiple Regression Example Another Multiple Regression Example	PROJECT Graded Research Project Reports will be returned	WEEKLY Lab 12: Factorial Worksheet WEEKLY Lab 13: Multiple Regression Worksheet PROJECT Rewrites of Research Project Reports due
